

LEVELS OF CARE

ROUTINE CARE - Routine home care is provided per an individualized plan of care, wherever the patient calls home. Supplies, durable medical equipment and medications related to the hospice diagnosis are included.

RESPITE CARE - Respite is short-term inpatient care provided to a patient which allows family members to take a vacation or attend to other family responsibilities. Patients can receive care at one of our many contracted facilities.

CONTINUOUS CARE - This care is provided by a full-time care team for relief and control of acute pain and symptom crisis wherever the patient calls home.

INPATIENT CARE - This care is transitional care for acute pain and symptom management and is provided in an inpatient setting.

CHOT.org

*We give you...
Choices, Support & Comfort.*

Choosing hospice services is a positive step in affirming the value of life. Collectively, we have become the largest provider of not-for-profit hospice service in Texas. CHOT has been providing care since 1995.

You're not alone in coping with a terminal illness within your family. CHOT provides expert medical care for patients as well as emotional and spiritual support for the entire family.

Hospice care is for individuals who have been diagnosed with a life-limiting illness. The sooner you contact Community Healthcare of Texas the more support we can give you. To make a referral or for more information about hospice care, please call 800.958.4942.

Understanding Hospice Care

Proudly serving our patients and their families for 25 years

Because your life matters...

At Community Healthcare of Texas, our mission is to provide compassionate end-of-life care. The hospice team will develop a plan to meet the unique needs of each patient.

Medications, medical equipment and medical supplies are provided to manage the patient's illness. Our goal is to provide care and support while keeping patients comfortable wherever they call home, where they are surrounded by loved ones.

CHOICES

A life-limiting illness may leave you feeling overwhelmed with limited choices. Community Healthcare of Texas is your partner in navigating the many choices available.

IMMEDIATE NEED

Family members may call and get information at any time without obligation. We will begin care immediately based on the needs of the patient and diagnosis. Anyone can make a referral to hospice. We will work with the physician to evaluate hospice eligibility. Equipment to enhance comfort such as hospital beds or oxygen is provided. Acute pain or symptoms are identified and a plan for management and prevention is developed. Call 800.958.4942 to receive assistance.

BEREAVEMENT & GRIEF SUPPORT

Our team of professionals and volunteers offer bereavement and grief support for families by providing resources, education, support groups and emotional comfort in the months following the significant loss of a loved one.

SUPPORT AND EDUCATION

Our team is available 24-hours-a-day/7-days-a-week to offer guidance and support.

Patients and families are educated on:

- Preparation for physical changes that occur
- Tips and advice for comfort care
- How to cope spiritually and emotionally while caring for your loved ones.

EMOTIONAL AND SPIRITUAL NEEDS

Our team of Nurses, Chaplains, Social Workers and Physicians are always available to respond to your needs. Depending on where each person is on their journey, the hospice team helps with:

- | | |
|---------------------|---------|
| Isolation | Sadness |
| Fear | Guilt |
| Loss of Hope | Anger |
| Feeling Overwhelmed | |

COST

Hospice services are covered by Medicare, Medicaid and most private insurance companies with little or no expense to the patient. Call 800.958.4942 for more information.
