REWARDS OF VOLUNTEERING

Being a hospice and palliative care volunteer has brought profound joy to individuals who have shared their lives with others. We find many people have talents that bring a moment of peace and comfort to a patient. This is an opportunity to touch lives in a deeply meaningful way. Our volunteers assist us in a variety of ways; administrative work and patient support. We encourage you to learn more about the program.

BECOMING A VOLUNTEER

Many people are compelled to volunteer in hospice and palliative care because of a personal experience. Whatever your reason, we want you to feel confident to service your community. Please contact us to answer any questions.

- ~ Call the Volunteer Coordinator at one of the locations listed on the back of this brochure.
- ~ Visit the "Volunteer with us" button on the website: www.CHOT.org

TRAINING

We offer training and support programs to our volunteers. You will gain confidence and knowledge to make your service experience meaningful and rewarding. There is no cost for training. Sessions are offered throughout the year.

MAKING A DIFFERENCE

If you are looking for a special place to serve using your unique skills, talents and abilities, we hope you will consider the volunteer opportunities at Community Healthcare of Texas.
